

We are happy to announce our Lunch & Learn program for the 2017 - 2018 school year. At Daytime Playtime we offer an extended learning program for children who would like to stay or need to stay past noon. This program is based on a 6 week session that has a different curriculum than the everyday preschool class. Your child will be able to eat lunch from 12:00 to 12:30 pm then afterwards they will learn about a specific topic and create a craft or do an experiment based on the topic taught. We just ask that the parent pack a lunch for their child, which can be handed to their teacher or handed directly to the office. The class goes from 12:00 pm to 1:30 pm.
